I grew up all around the world. I was born in England, moved to the USA when I was 3. My family then moved to Vienna when I was 6 before finally, we settled in Co. Wicklow when I was 9. I went to Aravon National School in Wicklow and then St. Gerard's Secondary School. my family all love sport. We attempt to play and watch all kinds of sports.

## Starting out with sports:

I started playing in the garden with my brothers from the moment I was big enough to walk and kick a ball. I chose hockey because it was introduced to me in primary school and I fell in love with it straight away. I loved how fast paced it was even back then.
