Guidance note for teachers:

The Christmas Shoebox Appeal resources deal with the issue of poverty and so should be discussed sensitively in line with the Intercultural Education in the Post-primary School: Guidelines for Schools. These guidelines promote '*representing diversity as a normal part of Irish life and human existence ensuring that representations of minority groups do not focus on the spectacular or colourful events, as this may lead to stereotyping and may run counter to the aim of representing diversity as normal ensuring that all children irrespective of their colour, ethnic group, or ability can feel at home and represented within the school*'.

In line with this, our resources seek to increase students' awareness of global development but also emphasise the diverse and prevalent nature of poverty which can and does impact people of all ethnic groups or abilities. The stories which accompany the Christmas Shoebox Appeal highlight the positive impact of a shoebox on children of all backgrounds and illustrate the examples of our local partners who are changing the societies in which they live and work. Team Hope recognises poverty here in Ireland and does not want any child/family to be put under pressure to produce a Christmas Shoebox.

If you have any further queries about how to sensitively address issues arising from this material please feel free to contact us **(01) 2940222** info@teamhope.ie

We are so grateful for your support for the Christmas Shoebox Appeal and we hope your students love taking part.
