Who are Team Hope?

Team Hope is an Irish, Christian, International Development Charity working to help children affected by poverty in Africa and Eastern Europe. Founded in 2010, we work in 12 countries across Africa and Eastern Europe to help children affected by poverty or marginalisation.

What is the CHRISTMAS SHOEBOX APPEAL?

Team Hope is best known for the Team Hope [Christmas Shoebox Appeal](#), an annual campaign where thousands of individuals in Ireland donate shoeboxes filled with gifts to be given to children affected by poverty. Each year we encourage businesses big and small; their staff families and friends, to #MakeAChildSmile by creating shoebox gifts, either physically or online.

Corporate Partnerships

Every year Team Hope receives amazing support from businesses who help us make a difference in the lives of children affected by poverty. Giving something back through supporting a charity is a wonderful opportunity to help others and often can be the highlight of many people's year. We understand that "one size doesn't fit all" so please [contact us](#) and we'll work to see how best you and your organisation can help.

Team Hope is registered with the Top Matching Gifts platforms used by corporates in Ireland.

Vadim McEvoy, Boston Scientific, Galway

Originally born in Belarus he spent part of his childhood in an orphanage where he received a Christmas Shoebox. He says that he knows first-hand how much joy and happiness a simple shoebox full of small gifts brings to a child.

“Receiving a gift from people halfway across the world is a core memory I’ll never forget”.

Since moving to Ireland and beginning his work at Boston Scientific in Galway, Vadim has encouraged and engaged with his colleagues to create and donate Christmas Shoeboxes to Team Hope, either online or building them together in their offices. His passionate support has also resulted in the national media coverage of his story in the Health & Living section of the Irish Independent. Thanks to Vadim thousands of people were encouraged to make a Christmas Shoebox and a lifelong impact for impoverished children.

Adas Rakauskas, Guidewire, Dublin

Adas Rakauskas, received Christmas Shoebox as a child in Eastern Europe in the 1980's. He told his colleagues of the incredible impact it had on him and his family.

Adas and his colleagues in Guidewire make Christmas Shoeboxes every year and with support from Guidewire's HR and ESG teams, over €30,000 has been received by Team Hope in the

form of Matching Gifts and donations through Benevity.

This significant support for Team Hope enables the charity to fulfil its mission, helping vulnerable children overseas, in many ways. It means more shoebox gifts get into the hands of other vulnerable children like Adas, plus the charity gets to deliver sustainable development projects Addressing Poverty and Hunger, as well as Clean Water and Village Savings and Loans Associations (micro credit unions) in Africa.
