WHO WE ARE

Team Hope is a child-focused international development organisation driven by the belief that every child deserves dignity, opportunity and hope.

We believe every child deserves to be seen, valued and given the opportunity to thrive.

We mobilise the generosity of children, donors, volunteers, families, schools, churches and corporate partners across Ireland to bring practical support to children in communities across Africa and Eastern Europe.

What began with the Christmas Shoebox Appeal has grown into a movement that not only delivers moments of joy but also invests in community-led development that strengthens families, builds resilience and creates brighter futures.

HOW HOPE GROWS

For many children, a Christmas Shoebox is where the story begins. It opens the doors to relationships, creating opportunities for lasting change.

Working through trusted local partners, Team Hope is able to respond to deeper needs and invest in community-led initiatives that strengthen families and create brighter futures.

Christmas Shoeboxes open the door.
Community development builds lasting change.

CHRISTMAS SHOEBOX APPEAL

Where Every Story Begins

For many children, a Team Hope Christmas Shoebox is the first gift they have ever received.

Packed with practical essentials, school supplies, toys and personal messages, each shoebox is a tangible reminder that a child is seen, valued and loved.

Every shoebox begins with the generosity of people across Ireland coming together to share hope with children across Africa and Eastern Europe.

Practical Support

School supplies, hygiene items, clothing, everyday essentials and a special WOW toy.

Hope

A child is reminded they are seen, valued and loved.

Connection

Bringing together schools, families, communities, volunteers and businesses across Ireland.

The Beginning of Something Bigger

Every shoebox opens the door to relationships and opportunities for lasting change.

A Christmas Shoebox is never the end of the story... It's where hope begins.

SPONSOR THE JOURNEY OF HOPE

Every Christmas Shoebox begins with generosity. Its journey begins because someone chooses to help deliver it.

Every year, Team Hope transports approximately 175,000 Christmas Shoeboxes from communities across Ireland to children in 13 countries across Eastern Europe and Africa.

Behind every shoebox is an extraordinary journey made possible through trusted logistics partners, dedicated volunteers and supporters who help carry hope across borders via land and sea.

By becoming a Journey of Hope Partner, your organisation can help ensure thousands of children receive not only a Christmas Shoebox, but a reminder that they are seen, valued and loved.

BEYOND THE BOX

For many children, a Christmas Shoebox is the beginning of their relationship with Team Hope. It opens the door to deeper relationships, helping us understand the challenges children and families face every day.

Working alongside trusted local partners, we respond by investing in community-led initiatives that create opportunities long after Christmas has passed. These include locally identified initiatives supporting education, healthcare, child protection and livelihoods, always responding to community priorities.

A cornerstone of this work are Community Savings Groups, where community members save together, access small loans, establish businesses and invest in opportunities that improve family life and build stronger communities who work together to bring about change.

Because when families thrive, children thrive too.

REAL STORIES. REAL IMPACT

PARTNER STORY: GOFUNDME

GoFundMe have partnered with Team Hope through corporate volunteering and fundraising. Employees came together at our Corporate Volunteer Events to prepare Christmas Shoeboxes before taking on the Vhi Women's Mini Marathon to raise additional funds. The partnership shows how businesses can engage their teams through meaningful experiences while making a lasting difference for children and families.

“

“Partnering with Team Hope has been a genuinely rewarding experience for our team. Whether volunteering together, creating Christmas Shoeboxes or fundraising through the Vhi Women's Mini Marathon, Team Hope made it easy for us to engage our people in a meaningful way while making a real difference for children and families.”

BENEFICIARY STORY: SUAVIS, BURUNDI

When Suavis joined a Team Hope Village Savings & Loans Association in Burundi, she dreamed of creating a better future for her children.

With encouragement from her savings group and support from Team Hope's local partner, she established her own restaurant.

Today she earns a sustainable income, supports her family and is investing in a brighter future for the next generation.

Her story reminds us that every partnership has the potential to create lasting change.

“

“Now we don't have to struggle to get our children to school. We can afford health care, women don't have to wait for their husbands to provide for them. Our nutrition is much improved also. We have been trained to feed our children properly.”

LET'S BUILD THE NEXT CHAPTER TOGETHER

Every act of generosity begins with one simple decision to make a difference.

For more than fifteen years, Team Hope has connected the generosity of people across Ireland with children and families across Eastern Europe and Africa.

Together, we've delivered moments of joy while creating opportunities for lasting change. Now, we're looking to the future and we'd love for your organisation to be part of it.

Together we can deliver joy today, and build lasting change for tomorrow.

We'd Love to Start a Conversation. Whether you're exploring employee engagement, community impact, Sponsor the Journey of Hope, or a long-term strategic partnership, we'd be delighted to discuss how we can work together.

Every partnership begins with hope. We'd be honoured to begin that journey with you.
